WITH WHAT SIZE OF FAMILY WOULD YOU LIKE TO BE PLACED?

Our host families can range in size from a husband and wife to extended families with many members living in the same household.

ARE YOU COMFORTABLE LIVING WITH YOUNG CHILDREN?

WHAT LANGUAGES WOULD YOU LIKE THE FAMILY TO BE ABLE TO SPEAK? We encourage all of our students and families to focus on speaking Arabic together, but it can be helpful for some students to have English, French or Spanish as a viable backup.

DO YOU HAVE ANY SPECIAL DIETARY NEEDS?

IN WHAT PART OF FEZ WOULD YOU LIKE TO BE PLACED?

We highly recommend that students live in the Medina, but realize that some students might prefer to live in the Ville Nouvelle.

WOULD YOU LIKE TO LIVE WITH ANOTHER STUDENT?

We like to place two students per family, as we find it helps the students adjust to Moroccan family life more easily. If you know of another student with whom you would like to live with, please provide the students' name and contact information.

IS THERE ANY OTHER INFORMATION WE SHOULD TAKE INTO
CONSIDERATION WHILE ARRANGING YOUR HOMESTAY?
